

Outdoor Wedding Sites

The Overlook

Large cottonwood trees and views of the rancho provide a lovely scenic back-drop for this site.

The Plaza Salazar

A shady patio, flower garden, and a deep portal make this a romantic spot for groups up to 225.

The Wedding Field

Our most popular site that couples chose. Steps lead down to a grassy meadow with large trees. The picturesque Morada appears on the hill in the background. Accommodates up to 350 guests.
